## WEB DEVELOPMENT PROJECTS

### Full Stack Developer | CareerFoundry Chat app (Oct 2021 - Nov 2021)

- Developed a chat app for mobile devices using React Native that requires the use of Expo.io.
- Used Gifted Chat library to create the chat interface and its functionality and Android Studio's Virtual Device to manually view and test the app
- Used Google Firestore Database to store chat conversations and Google Firebase authentication to authenticate users anonymously **View Demo**

### Full Stack Developer | CareerFoundry Meet app (Oct 2021)

- Developed a progressive-web application with React using a test-driven development (TDD) technique with Enzyme and Jest
- Translated user stories into scenarios for unit testing, acceptance testing, and end-to-end testing
- Implemented serverless functions with AWS lambda for the authorization server **View App**

### Full stack Developer | CareerFoundry myFlix app (Aug 2021-Sep 2021)

- Created a REST API with Node.js and Express.js and then used Mongoose to interact with a non-relational database (MongoDB) of movies stored as JSON objects
- Tested the API with Postman, wrote clean and concise documentation for the endpoints, and deployed the API with Heroku **View Doc**
- Built the application's client-side one using React and the other Angular as a single-page, responsive application with routing, rich user interactions, several interface views, and a polished user experience **React App** | **Angular App**

### Front-End Developer | CareerFoundry Poke app (July 2021)

- Created a JavaScript app built along with HTML, CSS, and jQuery, which uses an external API
- Implemented features according to guidelines set out by mock-ups and design assets
- Utilized object-oriented programming (OOP) and functional programming (FP) principles to carry out application features **View App**

## PROFESSIONAL EXPERIENCE

### Store manager | Cafe Bismarck (Oct 2019 - Feb 2020)

- Planned and directed the day-to-day operation of the store
- Improved customer service and sales by paying attention to details and making recommendations accordingly
- Maintained high store standards and conditions and fostered a positive environment

### Insurance Agent | AFIL Insurance Company (May 2010 - August 2016)

- Promoted and sold insurance products and services
- Approached clients via cold calling and direct mail to enquire about their insurance situation and their future needs
- Consistently met and exceeded agency goals while maintaining 90% client satisfaction rate
- Demonstrated success in insurance sales (10% higher than department's average rate)
